UI & UX Designer

SUMMARY :

UI/UX designer with hands-on experience in designing responsive interfaces for web and mobile platforms. Skilled in Figma, Photoshop, and user-centered design principles. Passionate about creating intuitive layouts that balance aesthetics and functionality. Seeking opportunities to deliver impactful digital experiences

Trainings :

UI/UX Design Intern – Digital Egypt Pioneers Initiative (DEPI)

June 2025 – Dec 2025

- Completed intensive training in user research, wireframing, prototyping, and visual design
- Designed responsive web and mobile interfaces using Figma and Adobe tools
- Collaborated with mentors and peers to build real-world design projects
- Applied UX principles to improve usability and accessibility across different platforms
- Received structured feedback and refined designs through iterative testing
- Gained hands-on experience in creating design systems and interactive prototypes

Sprints UI & UX design course – Remote

Aug 2025 – Sep 2025

- Completed a structured online program focused on UI/UX fundamentals, user research, and design thinking
- Designed wireframes and high-fidelity interfaces for mobile and web platforms using Figma
- Built interactive prototypes and practiced iterative design workflows
